

MEMBERSHIP BENEFITS

Why Become a Member of the Rice Lake Association?

1. RLA represents you and your interests with government agencies – North Fork Crow River Watershed District (NFCRWD), Stearns County, Eden Lake Township, Paynesville Township, Stearns County, MPCA, DNR, and others.
2. RLA represents you and your interests with other organizations working to improve and maintain our water quality – Koronis Lake Association, Pirz Lake Association, Stearns County COLA, MN COLA, Lake and River Advocates.
3. RLA works to improve and monitor our lake's water quality and undertake projects identified in the TMDL Implementation Plan.
4. RLA keeps lakeshore owners apprised of lake activities and important issues that affect lakeshore owners through the newsletter and website.
5. RLA works with the Stearns County Sheriff Water Patrol and the DNR to enforce safety regulations.
6. RLA keeps abreast of federal, state and county activities that can have an impact on you as a lakeshore property owner.
7. RLA educates property owners with information on what they can do as lakeshore property owners.
8. We can address issues more effectively as a group than as individuals.
